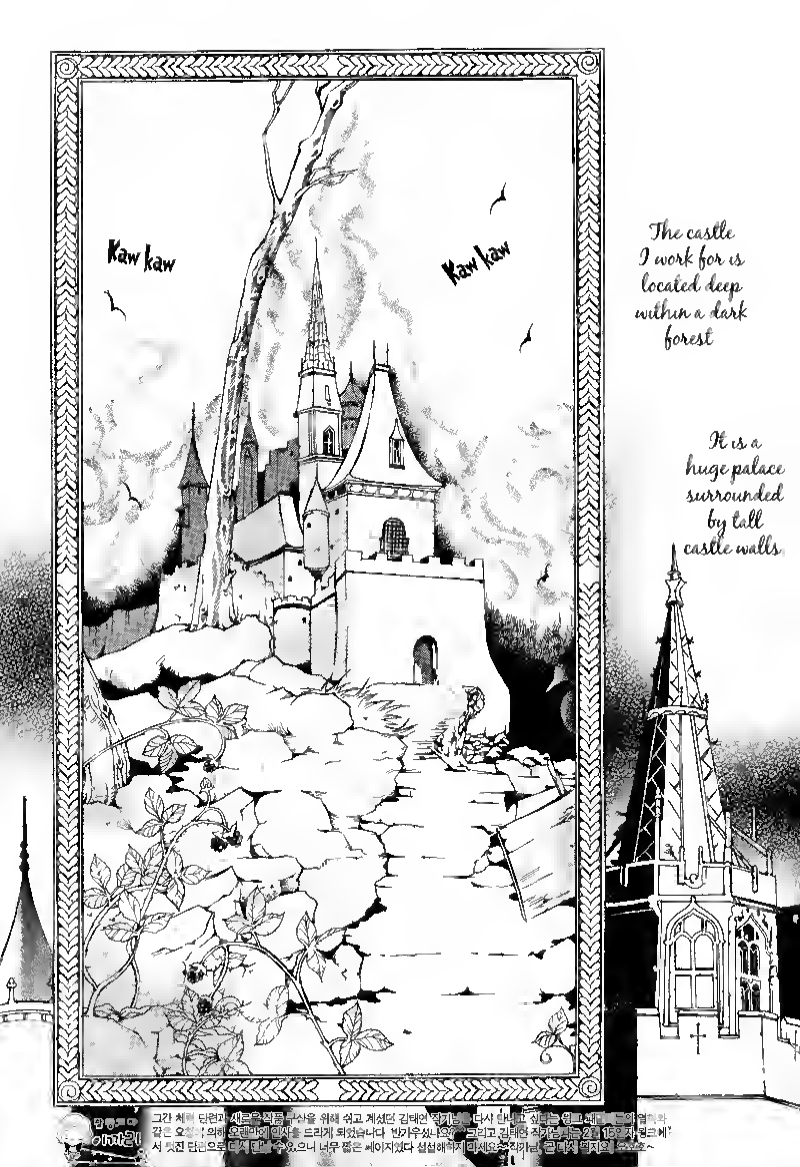
I am a gatekeeper
Hercules Hantem Manga
THE STORY OF THE GATEKEEPER
I guard a very old castle

TAE-YEON KIM



Kaw kaw
Kaw kaw
The castle I work for is located deep within a dark forest
It is a huge palace surrounded by tall castle walls

Sometimes people who got lost would find the castle
As though they are spellbound, the weary people enter the castle.
Kaw Kaw
Kaw Kaw
BOOM
.....
With a loud noise, the castle gate would close.

I do not know what happens in the castle,
the people who enter the castle never return
That is because this is the castle of the evil demon king.
And then one day,
EXCUSE ME!

IS THIS PLACE...
A girl dressed in white came looking for the castle
THE FORGOTTEN CASTLE?
Her eyes were so beautiful that they seemed to glow like stars

Like those who came before her, she wishes to enter the castle.
I want to tell her that she should not go in
I want to tell her to run far away from this scary demon king's castle
However,
BOOM
I could not say a word

This is because I am a cursed gate-keeper
I am under the spell of the demon king
One drop Two drop – my tears keep flowing
I could not stop crying

Now I can never see her again
Demon King's Castle
EXIT
PSH SO STUPID! THAT WAS NO BETTER THAN A REGULAR HAUNTED HOUSE.
Goodbye
Please come again
Sniff
Don't worry, we're out of the scary place now. Stop crying
EXIT THIS WAY
In the meantime at the entrance
WHY IS THAT KID CRYING AGAIN?
Wahhh, Wahh Wahh
I THINK HE GOT TOO INTO HIS CHARACTER?
The End
